20 years from last provision of health care

**RIGHTS OF DATA SUBJECT:**

Data subjects the personal data of which are processed in our information systems for specific defined purposes can apply following rights in written or electronic form:

Based on written request form available on our website [www.oftum.ro](http://www.oftum.ro) you have right to exercise at the Operator:

- **Right for access to personal data**

Pursuant to § 12 Act No. 18/2018 Coll. on Personal Data Protection, Affected Person is entitled to confirmation from the Operator on his/her personal data processing. If the Operator processes such personal data, Affected Person is entitled to access to and information on such personal data.

- **Right for personal data correction**

Pursuant to § 12 Act No. 18/2018 Coll. on Personal Data Protection, Affected Person is entitled to correction of incorrect personal data by the Operator without unnecessary delay. Considering the purpose of personal data processing, Affected Person is entitled to completion of incomplete personal data.

- **Right for personal data deleting**

Pursuant to Act No. 18/2018 Coll. on Personal Data Protection, Affected Person is entitled to deleting of related personal data without unnecessary delay.

Operator is obliged to delete personal data without unnecessary delay if the Affected Person required it in the following cases:

- a) Personal data is not required anymore for the purpose that they were obtained to or otherwise processed,

b) Affected Person withdraws consent pursuant to § 13 clause 1 item a) or § 16 clause 2 item a) based on which the personal data have been processed and no other legal basis exists for personal data processing,

c) Affected Person raised objection against personal data processing pursuant to § 27 clause 1 and no other legitimate reasons of personal data processing exist/ prevail, or the Affected Person raised objection against personal data processing pursuant to § 27 clause 2,

d) personal data have been processed illegally,

e) deleting is allowed upon fulfillment of duty pursuant to this Act, special regulation or international treaty that Slovak Republic is bound by, or

f) personal data have been obtained in relation to information company service offers pursuant to § 15 clause 1.

- **Right for restricted personal data processing**

Pursuant to Act No. 18/2018 Coll. on Personal Data Processing, Affected Person is entitled to restricted personal data processing by the Operator, if:

a) Affected Person raised objection against correctness of personal data during period enabling the Operator to review personal data correctness,

b) personal data processing is illegal and the Affected Person raised objection against personal data deleting, asking for restricted personal data use instead,

c) the Operator doesn't need personal data for purpose of personal data processing but they are required by the Affected Person for exercising legal right, or

d) Affected Person raised objection against personal data processing pursuant to § 27 clause 1, namely until examination whether the Operator's legitimate interests prevail over the legitimate interests of the Affected Person.

- **Right for personal data transferability**

Pursuant to Act No. 18/2018 Coll. on Personal Data Protection Affected Person is entitled to his/ her personal data that he/she provided to the Operator in structured, commonly used and readable format, and to transfer them to other Operator if technically feasible and if:

a) personal data has been processed pursuant to § 13 clause 1 item a), § 16 clause 2 item a) or § 13 clause 1 item

b) personal data processing is performed by automated means.

Exercising the above mentioned right shall not affect the right pursuant to § 23. Transferability right shall not apply to personal data processing required for fulfillment of task in the public interest or discharge of public power entrusted to the Operator.

Right of affected persons shall not affect other person's rights.

- **Right to raise objection against personal data processing**

Pursuant to Act No. 18/2018 Coll. on Personal Data Processing:

(1) Affected Person has right for raising objection against personal data processing related to particular situation and performed pursuant to § 13 clause 1 item e) or item f) including profiling based on these provisions. The Operator shall not continue to process personal data if urgent legitimate interests in personal data processing are confirmed that prevail the interests of the Affected Person, or reasons for application of legal claim.

(2) Affected Person has right for raising objection against his/ her personal data processing for purpose of direct marketing including profiling within extent in which it relates to such direct marketing. If the Affected Person raised objection against personal data processing for purpose of direct marketing, the Operator shall not continue to process personal data for purpose of direct marketing.

(3) The Operator is obliged to expressly notify the Affected Person on his/ her rights pursuant to clauses 1 and 2 during initial communication with him/ her at the latest and information on such right must be clearly stated and separated from other information.

(4) In relation to information company service use, the Affected Person can exercise his/her right to raise objection against it by automated means using technical specifications.

(5) Affected Person has right to raise objection against his/her personal data processing in particular situation except if personal data processing is necessary for fulfillment of task for public interest, if personal data is processed for scientific purpose, historical research or statistical purpose pursuant to § 78 clause 8.

- **Right for withdrawal of consent**

Affected Person has right to withdraw his/her consent at any time.

- **Right for initiation of the proceedings**

Affected Person has right to initiate the proceedings pursuant to Act No. 101/2000 Coll. on Personal Data Processing.

- **Right for automated individual decision making including profiling.**

Pursuant to Act No. 18/2018 Coll. on Personal Data Processing Affected Person is entitled to:

(1) Affected Person has right for being excluded from the decision resulting exclusively from automated personal data processing including profiling, having legal effects related to or significantly affecting him/ her.

(2) Clause 1 shall not apply if the decision

a) is necessary for conclusion or fulfillment of contract between the Affected Person and the Operator,

b) has been made on basis of special regulation or or international treaty that Slovak Republic is bound by, and that contain also suitable measures ensuring protection of rights and legitimate interests of the Affected Person, or

c) based on express consent of the Affected Person.

(3) In the cases pursuant to clause 2 item a) and c), the Operator shall adopt suitable measures for protection of rights and legitimate interests of the Affected Person, mainly the right for verification of the decision by the Operator in other than automated manner, the right for expressing the standpoint and appeal the decision.

(4) Decisions pursuant to clause 2 shall not be based on special categories of personal data pursuant to § 16 clause 1 except the cases to which § 16 clause 2 item a) or item g) apply and concurrently suitable measures for protection of rights and legitimate interests of the Affected Person have been adopted.

The Operator shall provide information to the Affected Person within a month from the request delivery on measures adopted on basis of his/ her request.

**Is automated decision-making made during your personal data processing including profiling?**

Automated decision-making is not made during your personal data processing including profiling.
